Karen Frank  
The genetically privileged offspring of Hugh Jackman, Sarah Jessica Parker and at least two Baldwin brothers have reportedly strutted their stuff at Broadway Babies, a popular class in which toddlers who can barely walk learn to perform numbers from *Annie*, *Grease* and other Broadway shows. Parents are expected to don feather boas and giant sunglasses and belt out "Dancing Queen" right along with their kids.

*Ages 6 months to 3 years.*

*Broadway Babies, Upper East and West Sides  
(212-472-0703; [www.applausery.com](http://www.applausery.com)).*

*\$450 for 12 weeks.*
